

Starting a Business

Covering all the essential things you need to know when starting a business, this workshop is the best place to begin your self-employment journey.

The workshop covers:

- the essentials of starting your own business
- key steps to launch your business
 - assess your business idea
 - build your business plan
 - choose your business structure
 - legal obligations
 - build your support team
 - figure out your finances
 - market your business

You'll receive a practical workbook, which includes an 'Are you ready?' checklist, and there will be an opportunity to ask questions.
