

Business Local events - December 2018

Our Business Local outreach service provides small business owners located in the Perth metropolitan area access to a range of enterprise skill development sessions. These sessions will assist you to build vital business skills and knowledge to give your business a competitive advantage.

Funded by the WA Government these sessions are **free** to attend for small businesses.

The SBDC has sourced various providers to deliver these sessions in your local area, some of which are small business owners too! Attending these events will also provide an opportunity to network with other small business operators in your area.

Find a free skills session in your area
